

ABOUT FRANKFORT ELKS #530

Elks #530 was established in December 1899 with 32 charter members. Our original building was finished in 1902 at Lewis Street. While the original building sadly burned in 1958, it was quickly replaced with our current structure. Currently, we have more than 500 members. Since our founding our lodge has distributed more than \$5,000,000 in charitable giving.

Throughout our history, our lodge has supported and advocated for our veterans as is core to the Elks mission. We give back to our local community through grants, donations, and volunteer support. And when the call comes we are there for our fellow members with a helping hand.

Being a member of Frankfort Elks #530 means doing good with good friends!

ELKS CARE

VETERANS

Part of the pledge we make as Elks is to never forget our veterans and their service. We honor them at special ceremonies during Memorial Day, Flag Day, and Veterans Day. We also do our best to ensure that no veteran who is in need goes without through the Welcome Home program. Our members volunteer and work with local veterans groups across the state to meet their needs.

ELKS SHARE

COMMUNITY

We know that there are those in our own community who are in need. Therefore our members regularly contribute their time, funds, and goods to our local charitable organizations. Each year we support places such as the Access Soup Kitchen & Men's Shelter, Simon House for Women, the local Food Pantry, Salvation Army, Capital City Senior Center, and more.

ELKS DO

YOUTH

Kids with Cancer is the Kentucky State Elks Association's Major Charity. Frankfort Elks #530 contributes thousands of dollars a year in support of this program.

Locally, we provide backpacks filled with school supplies each fall to those who need one. Additionally, we help collect for backpack snacks for kids.

Each year, the Elks award scholarships to local students and supports the Americanism Essay contests.

We also have a little fun while helping youth develop a focus on determination and perseverance through the ever popular Hoop Shoot & Soccer Shoot programs.
